Candy/Food Policy

With Valentine's Day approaching we would like to remind you of our policy regarding food and snacks/candy sent home with children.

There are many children and/or siblings that may have a severe allergy to certain foods. Our greatest concern is to protect our families at St. John. Therefore, we ask you to send **only non-edible treats** for the children to take home. This includes *birthday parties* and *party days*.

Edible items will not be sent home with the children. Thank you for your cooperation and support.

Note from the Director

Good words are
Worth much,
And cost little.

Pleasant words are a honeycomb,
Sweet to the soul and healing to the bones.
