

Lutheran Foundation Of Texas

Sharing God's blessings through planned giving

A RESOURCE YOU CAN USE!

In September, 1960 a group of dedicated Lutheran Christian men organized, chartered and funded the Lutheran Foundation of TEXAS. It was then, and to this day continues to be a valuable resource for the Texas District of the LCMS. Ironically, many Lutherans in the Texas District are unaware of the many benefits provided by the Lutheran Foundation of Texas. The staff at LFOT is working diligently to change that.

We recently released an update to our website, www.lfot.org. In addition to providing relevant information on planned giving, the website allows members of Texas congregations to access news and information to plan their estates and to include Texas LCMS ministries in those plans.

Please allow us to assist you in encouraging stewardship within your congregation by including a link to the LFOT website on your congregation's website. Link to: www.lfot.org.

If you have questions on how we can help you or any of your members, please contact us at 800-880-3733 or email larryo@lfot.org.

May God continue to bless your ministry.

Larry P. Ohls, Chief Executive Officer
